

Contribute!

Thank you, in advance, for your contribution to the campaign! The reality of politics is that it takes a great deal of money to get our message to the voters: yard signs, brochures, direct mail, buttons, etc. From the average cost of \$ 5 per yard sign to the average cost of \$.82 per button, every contribution means a great deal. It takes a number of contributors to create a successful campaign. Your contribution – no matter the size – is greatly appreciated!

Please print out this form and include it with your check:
